APPEAL

Dear Colleague,

As you are aware India is at a crucial juncture in its fight against COVID-19. The country has responded to the crisis with urgency and determination. The entire Government machinery has been fully geared up and all necessary measures are being taken to contain the spread of the pandemic.

2. While the Government is doing its best, it will be a noble gesture on part of all of us to augment the resource pool by making voluntary monetary contribution to help fight the challenge. We have contributed minimum one day's salary during similar national crisis in the past.

3. In view of the economic crisis faced by the Government of India I would like to appeal to all the officers, employees and Gramin Dak Sevaks of the Department of Posts as well as the officers and employees working in India Post Payments Bank to contribute at least one day's salary to the Prime Minister's Citizens Assistance and Relief in Emergency Situation Fund (PM CARES) to supplement the Government efforts to deal with the unprecedented situation.

Yours sincerely,

(Pradipta Kumar Bisoi)
