**Subject: Termination of advance expenditure/nomination of teams without available funds with Circle Sports Board– reg.**

It has been observed that few Postal Circles have adopted a practice of nominating teams in AIP tournaments and doing other related expenditures even when adequate funds are not available in respective Circles Sports Fund. After the said participation/expenditure, Circles request the Postal Sports Board for making allocation of fund for clearing their liabilities. This creates a disbalance in budget of Postal Sports Board each year.

2. In this regard, Circles Sports Boards are requested not to permit any team or incur any expenditure without the availability of sufficient funds.

This issues with the approval of Member (HRD).
