SUBJECT: MAINTENANCE OF SELECT PANEL WHILE FINALIZING THE SELECTION OF VARIOUS CATEGORIES OF GRAMIN DAK SEVAKS

I am directed to refer your office letters No. STA/22-12/BG-West/III dated 12.03.2013 & 26.06.2013 and this Directorate letter No. even dated 25.06.2010 on the subject cited above and to clarify the doubts as follows:-

Ser	Point of doubt	Clarification
1	If the approved candidates in the merit list declined to accept the offer of appointment and still there are number of eligible candidates in the merit list, whether the selection may be made by listing another select panel of 5 more candidates applied to the original notification or re-notification is to be issued in such cases?	No. In case all five approved candidates decline, the select panel gets exhausted and, therefore, in such cases selection process is to be initiated afresh.
2	A panel of 5 candidates was finalized during December 2012. First candidate did not turn up and the next meritorious candidates was selected and appointed on 16.01.2013. But he was terminated from service w.e.f. 01.04.2013 for his unsatisfactory work. Whether third candidate in the panel of selection made in the said case may be appointed or to go again for fresh appointment by fresh notification?	Apart from the contingencies mentioned in Para 6(i) to (iii), the select panel may be utilized in other contingencies as well provided the select panel is valid reckoning one year from the date of finalization of the select panel initially.

This issues with the approval of the competent authority.
