An empanelled list of Technical delegates in each Sport is maintained by this Office which is being updated from time to time. In this regard this office letter requesting for updating of centralized Technical list being maintained in this office stands circulated vide letter No. 8-6/2011-WL/Sports dated 28-08-2012.

91/c

3. The duty of the Central Observer and Technical Delegates for 13 Sports Events are briefly given as under:-

(a). Central Observer – It is the duty of Central Observer to see whether the Tournament is being held in accordance to the guidelines issued from time to time by this office. Whether the Flag code is observed during march past, whether Rolling Trophy has been brought by the Manager of last year's winner Team etc. He will observe and report about the overall conduct of the Game and submit his report, duly incorporating inputs received from two Technical Delegates.

(b). Technical Delegate - It is the duty of Technical Delegate to see whether the rules of the game are being properly applied and report deviation to rules, if any. The final results (before declaration) are to be signed by the Central Observer/Technical Delegates. The Technical Delegate will concentrate on observing the sports event at ground level and ensure that they are held in just and fair manner and that the Jury of Appeal exists. He will observe the manner of compilation of results and their declaration after each event.

4. It has been observed in the past that very few officials from the list of empanelled technical delegates give their willingness for nomination as Central Observer/Technical delegate. Moreover, the Circles are also forwarding names of the same officials year after year, for Observer/Technical delegates. In certain cases the nominated officials absented without any information and in many cases the Central Observer's Report in prescribed Performa has not been submitted to this office. Therefore, it has become necessary to broaden the field of choice of officials for nomination and keep some officials in reserve, who can be sent as replacement at the last moment. Accordingly, the names of willing officials may be sent for nomination as Central Observer/Technical delegate under following categories :-

(i). CATEGORY-I – Officials from empanelled list of Technical delegates maintained by the Sports Desk of the Directorate.

(ii). CATEGORY-II – Sports Development Officers/Sports Coaches.

(iii). CATEGORY-III – Veteran Sportspersons in the concerned Sport who are above the age of 45 years and are no longer active players and have discontinued participating in Sports Tournaments.

(iv). CATEGORY-IV – Any ASPOs/IPOs/HSG-I/II General Line having interest in Sports administration and organization of Games etc. Please enclose a brief write up of about 50 words giving details of past contribution in organizing Sports Events at Circle level.

(v). CATEGORY-V – Any official who has general interest in Sports activities. Such officials will have to enclose a brief write up of about 50 words on their interest, experience and contribution to Sports.

92/c

5. The Heads of Circles will forward names of willing and interested officials under the above categories clearly indicating in the application the Category under which the officials name is being forwarded duly recommended by the Head of Circle. The Performa for nomination as Central observer/Technical delegate is enclosed as **Annexure-I**
6. Once the orders approving names of officials as Central observer/Technical delegate have been issued, it is the duty of the Central Observer to submit his report within seven (07) days duly addressed to the Secretary Postal Sports Board, Department of Posts, 2nd Floor, Dak Bhawan, Parliament Street, New Delhi. The Performa for submission of Report by Central Observer is enclosed as **Annexure-II**.
7. The Secretary of the Host Circle Sports Board, where the event is hosted will also send his report in Prescribed Performa enclosed as **Annexure-III** to the Directorate duly addressed to the Secretary Postal Sports Board, Department of Posts, 2nd Floor, Dak Bhawan, Parliament Street, New Delhi.
8. The importance of the Report of Secretary, Circle Sports Board and Central Observer can be gauged by the fact that based on their Report; the results are circulated to all Heads of Circles by the Directorate. And the orders of this office are the only authentic source for the purpose of future reference. Thus, it needs to be ensured that the Reports are prepared meticulously and information contained therein is duly verified and authenticated and does not contain discrepancies in names, spellings etc. in order to avoid back references for clarifications.
9. The guidelines in respect of Cultural Event will be issued separately.

Yours faithfully,

(**Madhuri Dabral**)

Director (Training, Welfare & Sports)
& Honorary Secretary to the
Postal Sports Control Board,
Department of Posts.
