Sub: Figures of net accretion of PLI/ RPLI in paise in the Fund Flow report - reg.

It has been observed that many a times some Circles are entering the figures of Funds Flow of PLI and RPLI in the system in paise, whereas all receipts of premium/ loan repayment/ interest etc. have to be rounded off in nearest rupee and accordingly charged from the insurants.

Since it is already prescribed that collections made at counters on account of premium/ loan repayment/ interest etc. of PLI/ RPLI should be rounded off in nearest rupee, it is requested to kindly instruct all concerned including the DDOs to follow the procedure accordingly.

Henceforth, the figures of collections/ payments in the Funds Flow report of PLI and RPLI should be in complete rupee.
